Resolutions:

Subject 1: Welcoming Members of IQAC

Resolution 1: Welcome to IQAC, introducing the organization and going over its role to all IQAC members at the first meeting. An action plan for the upcoming year was created during the meeting, which included described the duties and expectations of IQAC members.

Subject 2: Reviewing Academic Programs

Resolution 2: Dr Baswaraju is the Convenor of the academic activity committee. The committee's duties include assessing how well the programs are accomplishing the learning objectives. Make suggestions for changes and point out areas that need to be improved so that the programs can adapt to the shifting demands of society and industry.

Subject 3: Improving Student Engagement

Resolution 3: Create plans to increase student involvement, such as extracurricular activities, better technology integration in the classroom, and collaborative learning. Put procedures in place to monitor and assess these techniques' efficacy.

Subject 4: Enhancing Teaching and Learning Quality

Subject 4: Enhancing Teaching and Learning Quality

Resolution 4: By identifying areas for improvement in the curriculum, teaching strategies, and assessment, create a plan to improve the quality of teaching and learning. Recommended integrating technology into the teaching and learning process as well as implementing cutting-edge teaching strategies like problem-based learning.

Subject 5: Evaluating the Effectiveness of Support Services

Resolution 5: Analyze student and staff comments to determine how effective support services—like career counseling, library services, and counseling—are. To make sure that the services satisfy the needs of the stakeholders, identify best practices and potential areas for development.

Subject 6: Developing a Research Culture

Resolution 6: It was recommended to all senior and Ph.D. staff members to foster a research culture by offering academics and students the tools and encouragement they need to do research and publish their findings. To advance research and knowledge sharing, form partnerships with other academic institutions and members of the industry.
